Seville Road State School received**

\$47,005

Our full 2015 agreement can be found here: [Great Results Guarantee 2015](#)

Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Use of data wall to track student progress in reading, writing and spelling.
- Professional development in data analysis.
- Timetabled and regular disciplined dialogue with every teacher – What is the data saying? Why is this so? What, if anything, can we do about it?
- Teacher release time for data conversations and planning in response to data analysis – Tier 1, 2 and 3.
- Employed experienced teacher to support teachers in implementation of whole of school framework for teaching reading and writing through triad coaching, modelling, team teaching and feedback. Collaboratively developed quality standards are the basis for this.
- Professional development for identified teacher aides to implement quality intervention program in reading.
- Use of data to identify tier 2 intervention students.
